Port Lincoln Film Society

"Take 2"

Film societies are worldwide movements that encourage interest in film as entertainment, art and as a medium of information and education.

Port Lincoln Film Society - Take 2 is a non-profit organisation run entirely by volunteers elected by their members. We screen films for members of the film society and do not charge admission to any individual screenings. **Admission to screenings is by membership only.**

We aim to screen a wide variety of films including art house, foreign and classic films not often available in regional areas. They will be films that make us think and feel - films that we will find ourselves still talking about later.

We volunteer our time so that the rural and regional community in which we live has access to non-mainstream films in a social environment. We need your continued support and involvement to be able to continue to screen.

The Port Lincoln Film Society

"Take 2"

Meets on the first Tuesday of each month at Youthoria (Theatre)
Hallet Place, Port Lincoln.

Movies will commence at 7.00 pm

Members are welcome to come early or stay after the movie for a coffee and chat.
